

Bushfire Response Plan – Lobethal Community Kindergarten

Updated October 2020
To be reviewed Term 3 annually

GENERAL

The Bushfire Response Plan (BRP) will be reviewed during Term 3 each year by the staff and presented to Governing Council for endorsement.

The Bushfire Response Plan will be available for all new enrolments, and all new enrolments will complete a bushfire collection authority form and an Emergency SMS form.

Emergency SMS information will be updated termly, and test alerts will be sent out families at the beginning of term 1 & 4 each year.

The director will ensure that all new staff members, relieving staff and visitors are aware of the BRP during the site induction process (BRP to be included in the Induction folders).

A copy of the BRP will be available to all families of students at the beginning of Term 4 & 1 each year.

The kindy staff will include bushfire season reminders and information in site newsletters during Term 4 & Term 1. Fire safety information updates will be published as required.

All staff members to be updated on BRP during Term 4 and Term 1 staff meetings.

Staff will ensure that Bushfire Emergency drills are practiced by staff and Emergency Evacuation and Shelter in place drills practiced by children once per term (within the first two weeks).

Staff will inspect the outside of main building in term 3 and the site will take responsibility to trim overhanging tree branches to a distance of 2 metres from main building roofline. The gutters are inspected and cleaned prior to the bushfire season as part of our preventative maintenance procedures.

TOTAL FIRE BAN DAYS

Preparedness phase

Director/nominated staff member to follow and complete the Total Fire Ban Day checklist.

Families will be contacted to advise of a Total Fire Ban via Facebook and SMS, preferably on the evening prior to the day.

During Total Fire Ban days or when a known fire is in our local district, the radio is to be switched on in kitchen and the CFS website will be open on the computer and iPad on the kitchen bench. A nominated staff member will monitor the local ABC radio (891) and the website for CFS Bushfire information and Warnings messages and pass on relevant messages to all staff. Also, Lobethal CFS station can be contacted on 83896636 and CFS Hotline on 1300 362 361

Portable radio to be checked for charge and tuned to ABC 891, then placed on the kitchen bench (radio kept in the first aid cupboard)

A Total Fire Ban sign will be hung on the centre entrance gate and on the whiteboard (sign located in bushfire folder on kitchen bench)

Student excursions away from the site will be cancelled for the day and rescheduled by staff.

Off-site meetings for all staff will be negotiated/cancelled.

Ensure student and staff medication list is updated and prepare medication for possible transportation. Check fridge and first aid cupboard for medication.

Ensure mobile phones are available and fully charged.

Charge up battery packs for phones/ipads and ensure all portable computers are fully charged.

Collect roll book (which contains Bushfire collection forms) and place on kitchen bench (located in office filing cabinets.)

A full copy of the BAP will be available to all visitors to read as part of the registration/induction process.

Staff to ensure that all children's drink bottles are filled regularly throughout the day and that children remain hydrated.

FIRE REPORTED IN LOCAL DISTRICT (refer map and list located in bushfire folder for current local district)

Follow checklist for Fire reported in local area which is located in the BRP Folder in the kitchen.

Director will advise the regional office that a bushfire has been reported in the local district. DFE Para Hills Education Office 08 831 4 4025.

Staff to monitor the ABC radio and CFS site regularly to keep updated with the fire's location and movement.

Staff will assess conditions to determine severity and likelihood of fire impacting on the centre. (eg. Wind directions and speed)

Staff to make decisions around children's activities and safety based on conditions. (eg. High winds, smoke in the air) Ultimately, if in any doubt staff will supervise and care for children indoors.

Staff will identify and list all students and staff present who live in the area that may be affected by a reported bushfire. Correspondence will be sent to any families potentially affected to advise fire risk. This will be done by SMS and Facebook post on the Facebook Group.

Staff will have all bushfire collection forms (in roll book) readily available to record collection of children during the day.

Staff to encourage students to use the toilet regularly during the day.

Staff to ensure all children's drink bottles are filled during the day and children reminded to stay hydrated.

Staff will fill up back up water containers and have them available in the kitchen.

Staff to bring the refuge trolley from the shed to the main building

If a bushfire prevents pick up of students a staff member will supervise students remaining on site until they are collected by parents or nominated authorised person/s on their bushfire collection authorisation form.

CATASTROPIC FIRE DANGER DAYS DECLARED IN ADVANCE

On days declared as Catastrophic in the Mount Lofty Fire Ban district Lobethal Kindergarten is rated as an R3-moderate risk site although as we are in close proximity of a R1 and R2 rated school our centre will be closed.

ACTIONS

Security and Emergency Management Unit will advise our centre of the potential closure due to forecast catastrophic conditions the next day.

Staff will send SMS to all families advising them of a potential Catastrophic Fire Danger day closure. Also place a post on Facebook.

SEM will confirm rating and closure by 5.30pm the afternoon before the Catastrophic Fire Danger Day

Staff will send a SMS confirming the closure of the centre due to Catastrophic fire Danger Day

Staff to place signs on the door and also the gate advising that the centre is closed due to Catastrophic Fire Danger Day

No persons, staff, volunteers, contractors, hirers, non-departmental services or visitors are permitted on site during a Catastrophic Fire Danger Day closure.

CATASTROPIC FIRE DANGER DAYS DECLARED on relevant day

Although the CFS generally declares fire danger ratings on the day prior to the relevant day, it is occasionally possible for them to be declared or escalated on the relevant day. In this instance the specific procedures for Catastrophic fire danger days change substantially.

As a High Bushfire risk centre in the affected fire ban district we will remain open unless otherwise directed by the SEM unit or an authorized representative of the emergency services.

Staff will cancel all non-essential services and extra-curricular activities scheduled to operate on the day.

Site Leader must immediately inform the SEM unit via 1800 000 279 of any instances where, as a result of a catastrophic fire danger day, an authorized representative of the emergency services has issued a direction to close the centre.

The SEM unit, in collaboration with the CFS and other relevant emergency management agencies, will undertake an assessment of the risks to the centre remaining open. Where necessary the SEM unit will seek authority for and coordinate any centre closures, student relocations and any relevant tasks associated to transport services, in collaboration with the Education Director.
